9789616456 | v.jayaswuroopa@gmail.com | [LinkedIn](#) | [GitHub](#) | [LeetCode](#)

Summary

Computer Science undergraduate with hands-on experience in full-stack development and machine learning. Built multiple academic and personal projects using React.js, Node.js, and PyTorch. Strong problem-solving skills demonstrated through **100+ LeetCode problems**.

Education

KPR Institute of Engineering and Technology	2023–2027
B.E. Computer Science and Engineering	CGPA: 8.4
GRG Matriculation Higher Secondary School	2021–2023
Higher Secondary Education	94%

Skills

Languages: Java, Python, JavaScript
Frontend: HTML, CSS, React.js, Tailwind CSS
Backend: Node.js, Express.js
Frameworks: Django, Flask
Database: MongoDB, SQL
AI/ML: PyTorch, Deep Learning, Image Classification
Core: Data Structures, OOP, Operating Systems
Tools: Git, Linux, VS Code

Projects

SmartCart – E-Commerce Web Application

- Built a full-stack web application using React.js, Node.js, and Express.js.
- Implemented authentication and shopping cart functionality for user interaction.
- Designed reusable UI components for better code structure and maintainability.

Suspicious Activity Detection System

- Developed a deep learning model using PyTorch (MobileNetV2) for image classification.
- Worked with image datasets and applied preprocessing and augmentation techniques.
- Built a basic inference pipeline for detecting suspicious activities.

Smart Crop Monitoring System

- Developed an IoT-based monitoring system using Arduino sensors.
- Collected environmental data such as soil moisture, temperature, and humidity.
- Implemented a rule-based system for fertilizer recommendation.

Experience

Litz Tech – Java Full Stack Intern

2025

- Worked on developing and improving features in a Java-based full-stack application.
- Assisted in debugging and resolving backend issues to improve application stability.
- Collaborated with team members to understand requirements and implement solutions.

Accomplishments

- Solved **100+ LeetCode problems**
- HackerRank Java Certification (2025)
- Problem Solving Certification (2025)
- NPTEL Cyber Security and Privacy (2024)
- Infosys Certificates: Computer Vision, NLP, Deep Learning, AI Fundamentals
